Veronica,

Please see below my responses to your client's questions.

1). Friehling & Horowitz is a reputable CPA firm that has been in business for over 30 years. They have audited BLM for over 25 years and have hundreds of clients including numerous broker/dealers.

2). There are several publicly available articles that discuss BLM. Among the publications in which the Madoff organization or it's employees have been mentioned are: Wall Street & Technology, Trader's Magazine, Wall Street Journal, On Wall Street, The Investment Dealers' Digest: IDD, Investor Relations Business, Computerworld, Institutional Investor, Forbes, Wall

Street Computer Review, MARHedge.

3). U.S. broker/dealers are required to file annual audited financial statements with the SEC. This is known as a form X-17(a)-5 and is a public document. I have attached the most recent form X-17(a)-5 herein for your review.

Please do not hesitate to contact me if I may be of further assistance.

Regards,
Amit
